HOW WELL DO YOU KNOW YOUR ACTIVITY LEADER(S)?

This month we are featuring
Clayton Graham!

I was born in Miramichi, New Brunswick on January 23, 1931. In 1948 a friend and I decided to hitch hike to Ontario. We each had \$10.00. We got as far as the border of Ontario & Quebec. We got a job at a Hydro dam and worked for two months to get enough money

to take a bus to Toronto. I got a job in construction and a job at an automotive parts department for a short time. I got a permanent job at Allanson Manufacturing in Toronto and worked there for 43 years. The company rebuilt generators and starters for the automotive. They also manufactured transformers for oil burners and lighting. I started in the stock room and I worked my way up to Purchasing Manager. I lived in Toronto for five years and married and had five children. Three girls and two boys. We moved to Scarborough and divorced after 23 years of marriage. I remarried five years later to Thelma Chriukshanks and have been married for 35 years. I retired from Allanson Manufacturing in 1992 and moved to Port Perry in 1995. I was a handyman in town for 5 years. I also did a lot of woodworking in our basement for the family and friends. I joined the Port Perry Seniors Club and am in charge of Shuffleboard and Cribbage. The players are a lot of help. I have been driving for Community Care for 13 years and enjoy doing so. I have received the Ontario Service Award.
