## Port Perry Seniors Club June Newsletter

### President-Elect's Message !

Thank you to the many wonderful club members for the encouraging words and support as I enter into the new role of President of the Port Perry Seniors Club. I have had the pleasure of meeting with a number of volunteers who lead our groups and committees and look forward to giving them my full support as we continue to provide a wide variety of social and activities-based programs for our members.

It is heart-warming to witness the joy, pleasure and friendship that members gain from participating in fun-filled activities lead by our very talented volunteers. As our membership continues to grow, I am confident that we can meet our goal to expand the number of members who take on leadership roles in our club.

Please let your interest be known as we enter another exciting year of activities and friendship as a very successful seniors club. I am looking forward to working with our experienced Executive who will continue to advocate on behalf of members within our community.

Wishing everyone a pleasant and restful summer and a return in the fall feeling energized and prepared for another successful year.

Carol Kilmartin

### President's Message !

And with June comes the end of my term. Bitter-sweet. Yes, I have wonderful memories. I'd like to thank our out-going/in-coming Executive. It has been wonderful working with you. The Camaraderie, your enthusiasm, it has all been fun.

Thank you to all the wonderful volunteers who make the PPSC what it is, a wonderful place to meet up with friends, to socialize and get fit!

Thank you all for your on-going support through the past two years. I am looking forward to working with the new Executive in my role as Past-President.

Catherine Whittle, President

## Visit to Wutai Chan Buddhist Garden

When finished, in 10 to 20 years, this will be the largest Buddhist colony in the world outside of China. And it's only a 30 minute drive from Port Perry. It is financed through donations from the Buddhists across the world. All workers and artisans volunteer their time. They have already spent 80 million dollars on the area.

Photos do not do the statues and construction of the temple justice. They are huge and amazing, the details are unbelievable.

We had 40 PPSC members take a personalized tour today and the weather was excellent. It is hoped that it will be opening on the 5th of October this year and we've been invited back for the official opening ceremonies. I'm sure President Elect Carol will send us an update when we're closer to the festivities.

It was a great day. Thanks trip committee.

Rita Hilker, Past President
