
THE LATCHAM NEWS

Your new executive: *(from the top left)* Ann Berube, Catherine Whittle, Shirley Avery, Carole Matthews, *(lower row)* Cheryl Gilchrist, Rita Barrell and Rita Hilker.

The President's Message

The executive has had a busy few weeks. We have installed an updated computer program to keep track of our activity members in each group both for the office, and for our volunteer leaders.

The executive and members of the carvers attended the first Seniors Health Fair held at our local hospital, handed out literature and spoke with members of the general public promoting the Port Perry Seniors Club.

A member of the Future Home Committee has spoken at each activity over the past week discussing the importance of our members becoming involved in the upcoming downtown/waterfront workshops held at the Latcham Centre. The November 19th meetings may be our ONLY opportunity to voice our opinion on the future of our waterfront which encompasses the Latcham Centre! Details of the two sessions, one in the afternoon and one in the evening, are in this newsletter.

No filming around the Mill is scheduled for the month of November.

As always any questions or ideas are welcomed. You can put them in the suggestion box which is in the main hall beside our bulletin board.
