Teddies for Tragedies

Here are some of our knitters posing behind our heap of teddy and Izzie dolls - 335 and counting!

President's Message

The days are getting longer and like you I'm loving the idea of Spring just being around the corner. It's time to have our **clocks Spring forward the second Sunday of March!**

Another sign of better weather on its way, the Blue Jays have taken to the fields in spring training (yes, I know they're playing in Florida).

My term in office and Rita B's appointed term are coming to a close this May. Both of our offices, and that of Treasurer, will be open for members to step up for election.

Help Wanted

We could really use a club photographer. We are in need of photos for the newsletter and website. Cell phone photos are fine!

Your Nominating Committee for the upcoming **elections** of President, Treasurer and Member-at-Large consists of: Chair- Rita Barrell, Catherine Whittle and Susan Donaldson. They will be stalking YOU! If you have an interest in any of the positions please let a committee member know- or if you wish to shove an unsuspecting friend into an executive role- ditto!

It's good to have other people take on executive positions as they come in with fresh ideas and enthusiasm.

Thank you to the members who stepped forward and accepted the "help wanted" Pot Luck request.

Thank you to the line dancers who stepped up to fill the void of leading the classes while Dianne was off ill. I'm very happy to say that Dianne is going to be leading our Monday classes and back leading the beginners group once again.

Proposed changes to our Club **By-laws** and **Constitution** are on our bulletin board. You will be asked to vote on the updates at a general meeting. Please read them.

Some members have asked if we could have a **bridge** activity. We have a time slot available on the 1st and 3rd Wednesdays, between 1:45 and 4 p.m. You would share the hall with the Mexican Train players. We need two members to volunteer to get it started, look after set up and take down of tables and chairs for each session. Interested??? Speak with President Rita.

We have lots of "new to us" puzzles. Help yourself. They are located in the front hall at the Latcham Centre.

WE GOT OUR CLUB BANNER! It looks amazing! A great big **THANK YOU** to Rita B., Member-At-Large, for creating the wording and putting the final touches on the artwork. The banner is lightweight, therefore very portable. Any activity may use the banner to publicize their event and our Club.

We have a volunteer to look after our **entertainment** for Pot Luck dinners ... Thank you Sue Micklewright!

March 25th. Pot Luck. Our entertainment is the Andrew family! Join us for good food and fun!

Please note: We now have two **Purell** dispensers in the club. So- keep your hands clean and stop smooching in the hallway!

Members of our Future Home Committee went to the recent Waterfront Development Committee meeting at the town office. For an update - come to the General Meeting on Wed., March 11th at 2 p.m.

Don't forget to lug-a-mug! This is our project for a greener planet! Hot beverages are free with your own mug- or \$1 if you use a styrofoam cup!
