Meetings:

We are looking into having meetings both in person and on Zoom. Our hope is that we can arrange to have our speaker on the big pull-down screen, so anyone who wants to come to the meeting in person, can also see the speaker's presentation.

President's message-

I can't think of a more appropriate day for the Port Perry Seniors Club to reopen than Family Day, Feb. 21st. You are a member of our extended family. We have waited so so long for this day. There will still be some restrictions and regulations to follow and we ask that you continue to support the decisions that the executive make on your behalf. We, the executive, are very excited to see you, in person, and we can all get reacquainted again. See you at the Latcham Centre!! YAHOO...

Port Perry Seniors Club will be ending its relationship with the United Senior Clubs of Ontario and will be under the umbrella of the Older Adults Centres' Association of Ontario. This was passed with the unanimous approval of your executive. You as a member will see no changes in the way your club is run, however, the executive sees many advantages to being with this association in the future. If you'd like to check it out for yourself: <http://www.oacao.org>
